GLASSER, Senior United States District Judge:

A *sua sponte* recommendation was made by Magistrate Judge Tiscione that this action be dismissed. In his Report in support of his recommendation, he has methodically related, chronologically, every significant fact to which he applied the relevant law compelling his recommendation.

The time within which any objection to his Report should have been filed has expired and no objection has been made. The recommendation is, therefore, adopted and this action is dismissed.

SO ORDERED.
